

May 5, 2017

Dear CV Friend:

Thank you for making or considering making opportunities available to students at Cumberland Valley through your participation in the PA Education Improvement Tax Credit ("EITC") program.

The EITC program truly provides a "Win-Win" outcome for your business and the Eagle Foundation. Through the EITC program, the Eagle Foundation has received \$240,000 in contributions in just the last five years, with EITC donations ranging from \$500 to \$10,000. CV students are big winners as these contributions can account for over 25% of our budgeted donations, which makes a huge difference in the number of students the Eagle Foundation can assist with its educational programs.

In turn, your company receives a sizable tax credit while effectively directing how your tax dollars are used. Additionally, the Eagle Foundation will publicly recognize your company as a donor to our Annual Campaign. Last summer the Foundation was able to assist 245 students by enrolling them in our summer *Reading and Math Booster programs* at no charge to families AND 753 students signed up to participate in our *hands-on learning camps* thanks to the EITC donations!

We invite you to support innovative educational activities for Cumberland Valley students by directing your PA tax dollars to the Eagle Foundation. Here are a few things for you to remember:

1. **Businesses that participated in the program last year or are in the middle of their 2-year commitment should apply between May 15 – June 30.** This applies to businesses on year #1 or year #2 of their donation cycle.
2. **Businesses that did not participate last year must wait to apply until July 3.**
3. **All applications, regardless of the date submitted, must be submitted online.** The application can be found at www.newpa.com/EITC.

Thank you for helping the Eagle Foundation in its mission to provide programs and support for our Cumberland Valley students!

Sincerely,

Jay A. Abom, Esq., President
Eagle Foundation Board of Directors
