

## Join the Hampden Green Team Wednesdays from 3:45-5:00 PM

***All 4<sup>th</sup> and 5<sup>th</sup> Grade students are welcome to join.***

Through an exploration in eco-sustainability, we are going to be learning about the impact our culture has on the planet and find ways to preserve our resources. Plants, plant growth and needs, biodiversity, invasive species, and recycling are a few of our Green Team topics this year. All of our activities will also involve maintaining Hampden's Dragon Garden.

**Green team will begin Wednesday, March 27  
and end Wednesday, May 15.**

To register your student for Hampden's Green Team, go to: **[goo.gl/3UxVv1](https://goo.gl/3UxVv1)** and complete the online form. Then, send \$10 (cash or check payable to "Hampden PTO") to school in an envelope marked with: Student Name, Homeroom #, and Science Club ASAP. **Your student is NOT officially registered until payment has been received.**

Please note that spaces are limited and will be filled on a first come/first-served basis (we will be taking a maximum of 30 students and only offering one session). Registration will close on **March 20.**
