

# 2020 Touch of the Valley

EAGLE FOUNDATION Online Auction & Restaurant Event

Dear CV Friends –

There have been many discussions about what the Eagle Foundation's *Touch of the Valley* should look like this November. We talked about how to host it virtually and IF we should even have the event.

**The bottom line... the Eagle Foundation's PURPOSE is to HELP STUDENTS and PROVIDE EDUCATIONAL OPPORTUNITIES. We believe in our mission and the need for more support is *greater now more than ever before*. We are excited to move forward with our annual event to help raise money for the community.**

We recognize the value of community support and KNOW that our community and collection of restaurants has enabled *Touch of the Valley* to raise more than \$715,300 over the last 19 years to support education initiatives within the Cumberland Valley community. Now is our opportunity to help support those generous food vendors.

## Touch of the Valley 2020 plan is two-fold:

1. We want to raise funds to support our mission AND help the District and students with unexpected needs related to COVID-19.
2. We want to assist the CV restaurants who have been faithful supporters of the Eagle Foundation. We are encouraging CV residents and friends to choose to take-out or dine-in to support these businesses who have donated to our event and community for many years.

**You can support educational resources for students and the classroom by contributing an auction item.** We are targeting 2020 appropriate items. Items that do not involve much travel, items that can be used at home as well as lessons, subscriptions, and items with an educational component.

**You can complete the auction donation form at:** <https://tinyurl.com/TOV2020gift>

We are grateful for your support.

Sincerely,

Kevin Pautler  
*Touch of the Valley Chairperson*
