

2020 Touch of the Valley

EAGLE FOUNDATION Online Auction & Restaurant Event

Dear CV Friends –

There have been many discussions about what the Eagle Foundation's *Touch of the Valley* should look like this November. We talked about how to host it virtually and IF we should even have the event.

The bottom line... the Eagle Foundation's PURPOSE is to HELP STUDENTS and PROVIDE EDUCATIONAL OPPORTUNITIES. We believe in our mission and the need for more support is *greater now more than ever before*. We are excited to be moving forward with a two-part event including an online auction.

We also recognize the value of community support and KNOW that our community and collection of restaurants has enabled *Touch of the Valley* to raise more than \$715,300 over the last 19 years to support education initiatives within the Cumberland Valley community. Now is our opportunity to help support those generous food vendors. We will promote patronizing our faithful TOV restaurants through a take-out/dine-in restaurant event.

You can support educational resources for students and the classroom by serving as an event supporter!
