

## *Cumberland Valley Field Hockey Booster Club 2021 Summer Camp*

You're invited! Come join the Cumberland Valley Field Hockey Coaching staff and varsity team for five days of field hockey fun. This is a camp for younger field hockey players who wish to learn and improve their basic skills. We will be teaching and reviewing fundamental skills, such as holding the stick, dribbling, and passing. Throughout the week, we will progress to small game situations and, eventually, to some scrimmages with the high school team. ***Players need to bring a mouthguard, shinguards, a water bottle, sunscreen, and running shoes to each session.*** Sticks will be provided if a player does not have one. If you have any further questions, please contact:
