

## **Mr. Reynolds' Classroom Expectations**

### **General Classroom Rules**

#### Students Are To:

- To show respect at all times. This pertains to both the teacher and classmates.
- Not to speak when the teacher or another student is speaking.
- To raise their hand to speak.
- Not to get up and move around the room while someone is speaking.
- Not to use inappropriate language when speaking.
- Not permitted to harass, bully, steal or vandalize.
- To address the teacher as Mr. Reynolds or Sir at all times.
- Expected to be in class on time. If a student is tardy more than three times they will be referred to the office.
- Expected to clean up after themselves after every class. All stations that are left unkempt will remain that way until the following class for the student to complete their clean up assignment.

### **Grading**

- Students will be assessed in a variety of different ways. If at anytime a student misses an assignment due to illness, death in the family or any other excused absence, it is expected that the student will complete that work on the returned date. Failure to do so will result in a zero!
- Grading Scale

93-100 A  
86-92 B  
77-85 C  
70-76 D  
0-69 F

## Attendance

- Due to the nature of both the Graphics and Communication classes much of the class work can only be completed within the production lab here at school. It is imperative that students maintain their attendance in order to keep their grades at a proficient level.
- If you do miss a class you are to see me before our next meeting date to find out what you missed the previous day! Do not ask me during class.
- My school hours are 7:20-3:30 everyday.

## Safety

### Students Are To:

- Follow all safety practices given to them in class.
- Use all tools and equipment in a safe manner. Horseplay will not be tolerated!
- Report damaged equipment to your teacher immediately.
- Report all accidents immediately.
- Not to experiment with components or equipment outside the guidance of the teacher.
- Are to wear appropriate clothing to class. Particular types of clothing may be hazardous within the students working environment such as loose or baggy articles.

By signing below both the student and the parent confirm that they have previewed my expectations for the up coming school year. If there are any questions please feel free to contact me at 506-3462 or at [sreynolds@cvschools.org](mailto:sreynolds@cvschools.org). Thank you very much.
