

MLA Works Cited Citations Using: CitationMachine.NET

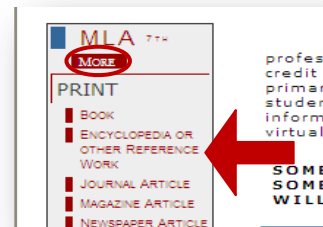

Go to: <http://citationmachine.net>

In the gray box on the left of the page, Click "MLA "

Click on the type of source you are using in the gray box to the left side of the page

Click on the red "More" Button to expand into more detailed types of sources.

Fill in the fields to the best of your ability. The more information that is put into these fields, the more complete (and proper) your citation will be.

Click the "Submit" button to create citation

To correct mistakes, click the button circled.

Highlight the citation in the gray box.

Copy and Paste into Word Document.

Be sure to put citations in Alphabetical Order!
