## On Behalf of Our Leadership Team

#CV inspires

Perhaps the greatest compliment students can impart on their teachers is that they inspired them. That is, their teachers stimulated them to do something brilliant or creative, to accomplish a goal they never thought possible, or to discover something new about themselves or the world around them.

An aspirational goal of the Cumberland Valley School District is that we inspire all students to soar to their greatest potential and commit themselves to the pursuit of excellence.

For that to happen, we are committed to providing whatever supports and opportunities within our resources to our students, our staff, and the greater school community.

Thank you for partnering with us in inspiring our young people to be successful in whatever their future holds for them. Our best wishes to all in the 2019-20 school year.

Steve Kirkpatrick  
Assistant Superintendent

## Mission Statement

The Cumberland Valley School District, in collaboration with students, educators, parents and the community, is committed to developing 21st century learning and thinking skills through a rigorous, relevant, and comprehensive curriculum, while preparing students to be innovative, productive citizens in an interconnected world.

## District Belief Statement

In the Cumberland Valley School District we believe that every school should be a place where:

- all students have equitable access to a rigorous curriculum, educational experiences, and opportunities to learn.
- all students feel physically and emotionally safe.
- all students are excited to get to school each day.
- all students are intellectually curious and actively engaged.
- all students are willing to ask for help and support.
- every student expects to succeed and every adult expects them to do so.
- all teachers, staff, and most of all students are finding learning to be meaningful, challenging, and joyous.
- every adult is wanting to connect with and positively impact the life of every student.
- individual differences among students are regularly celebrated and all students being recognized for their unique strengths, assets and contributions.
- all academic, developmental, artistic, agricultural, military, athletic, and extra-curricular programs serve students with distinction.
- technology is leveraged to make teaching and learning personal and relevant.
- like a village green, the community proudly gathers (physically and digitally) to interact, share resources, celebrate, play, learn, and feel part of something larger.
- mutual trust and respect is abundant.
- race/class, gender, (dis)ability, or address do not define students' destinies.
- knowing how to learn is as important as what you know.

Heather Dunn  
President

## Board of School Directors | 2019

The Board of Directors reviews, revises, and develops policies on a regular basis. Once approved, policy changes supersede those noted in the district calendar and building handbooks. All policies are posted on the District website at [www.cvschools.org](http://www.cvschools.org).

## Non-Discrimination Policy

Cumberland Valley School District prohibits discrimination, including sexual harassment, on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, parenting status, pregnancy or handicap/disability in its activities, programs or employment practices.

The following employees have been designated to handle questions and complaints of alleged discrimination or sexual harassment:

Compliance Officer:  
Michelle Zettlemyer, Director of Human Resources  
(717) 506-3339  
[mzettlemyer@cvschools.org](mailto:mzettlemyer@cvschools.org)

ADA/Section 504 Coordinator:  
Doris Hagemann, Director of Student Services  
(717) 506-3320  
[dbaboian@cvschools.org](mailto:dbaboian@cvschools.org)

Individuals with disabilities who require assistance or special arrangements to attend a program or activity sponsored by the Cumberland Valley School District should contact Michael Willis, Director of Business and Support Services at (717) 506-3312 or [mwillis@cvschools.org](mailto:mwillis@cvschools.org). For TTY, dial 711 for Relay Service. For more information: [www.cvschools.org/nondiscrimination](http://www.cvschools.org/nondiscrimination).

# Michele Plummer

Educational Assistant | Shaull Elementary School

Michele brings a loving, compassionate heart to everything she does. She is truly child-centered and puts Shaull's students at the forefront each and every day. Michele goes out of her way to connect with students, especially those most in need of her warm smile. She is always positive and a truly inspirational force!

— Deana Raymer, Principal, Shaull Elementary School

*Soaring to Greatness. Committed to Excellence*

# Amy Baughman

Gr. 4 Teacher | Silver Spring Elementary School

Mrs. Baughman inspires her students by providing authentic learning experiences that engage their minds while creating a supportive community within her classroom. She inspires her 4th grade level team by developing activities and grade level plans which seek to develop mindsets in their students which encourages them to persevere through mistakes, be optimistic of future success, and utilize creativity, innovation, and flexibility to make growth. She inspires other professionals in the building by serving on our leadership team, our schoolwide events team and providing professional development aimed to serve our vision to Accept, Empower, and Inspire.

— Dr. Tony Parks, Principal, Silver Spring Elementary School

# Carly Cross

Gr. 4 & 5 Learning Support Teacher  
 Advisor, Girls Running Club  
 Middlesex Elementary School

Mrs. Cross goes above and beyond each day with students at Middlesex. She comes up with innovative ways to accommodate and modify instruction. She is also creative in her approach to discipline, always looking for what is best for students. Mrs. Cross has a special gift of bringing joy to so many students, while actively engaging and empowering them as learners.

— Stephanie Eldridge, Principal  
 Middlesex Elementary School

# Chris Irvin

Gr. 8 Science Teacher  
Science Olympiad Advisor  
Eagle View Middle School

Chris Irvin inspires our students, staff, and community through his dedication to his content area. By coaching our Eagle View and CV High School Science Olympiad teams, he promotes the study of STEM and its application to everyday life. He has worked hard to establish community mentorships for the students in their specific event areas. He contributes countless hours and his enthusiasm knows no bounds. Mr. Irvin is the true embodiment of #CVInspires.

Soaring to Greatness. Committed to Excellence

# Keri Dougherty

Autism Support Teacher | Winding Creek Elementary School

Keri works with a class of our primary autism students. That in and of itself is a pretty special calling. But that is not my sole reason for recognizing Keri as an inspiration at Winding Creek.

Keri's approach to this calling is what stands out. She is a passionate advocate for her kids. She is willing to go above and beyond in every aspect of this profession to help not only her students, but our school. Keri is an inspiration.

— Chad Runkle, Principal  
Winding Creek Elementary School

## SCHOOL INFORMATION GUIDE | 2019-2020

### Acceptable Use of the Computer Network (Policy 815)

Cumberland Valley School District supports the use of the Internet, electronic mail (e-mail), and other computer networks in the District's instructional program as an integral part of learning and teaching through interpersonal communications and access to information, research, and collaboration. Electronic information resources include, but are not limited to, Internet access, electronic mail, and local network resources.

Use of the computer network shall be consistent with the curriculum adopted by the District as well as with the varied instructional needs, learning styles, abilities, and developmental levels of students. Students may only use the District network for educational purposes. At the same time, students', employees' and guests' personal technology devices brought onto the school District's property or suspected to contain District information may be legally accessed to ensure compliance with this policy and other District policies to protect the District's resources and comply with the law.

#### Consequences for Inappropriate Use

Use of the District computer is a privilege and not a right. At its sole discretion, the District may restrict any person's access to the computer network. The District reserves the right to remove a user account from the network to prevent further unauthorized activity.

The network user shall be responsible for damages to the equipment, systems, and software resulting from deliberate or willful acts. Illegal use of the network, intentional deletion or damage to files of data belonging to others, copyright violations, and theft of services will be reported to the appropriate legal authorities for possible prosecution.

This policy incorporates all relevant school District policies such as, but not limited to, the student and professional employee discipline policies, copyright policy, property policy, curriculum policies, terroristic threat policy, and harassment policies. For students, the Student Code of Conduct shall be applied when necessary and appropriate.

Vandalism to the CVSD computer network is defined as any malicious attempt to harm or destroy data of another user, Internet, or other networks. This includes, but is not limited to, uploading or creating computer viruses, unauthorized alteration of computer settings or files, and downloading unauthorized files.

#### Copyright

The illegal use of copyrighted software by students and staff is prohibited. Any data uploaded to or downloaded from the network shall be subject to Fair Use guidelines.

#### Prohibitions

Students and staff are expected to act in a responsible, ethical, and legal manner in accordance with District policy. District Policy 815 specifies prohibited uses. School Board policy can be found on the District Web site at [www.cvschools.org](http://www.cvschools.org).

Please be aware that students who do not have completed AUP forms on file may lose access to the computer network until such form is completed and returned to the child's building.

### Additional Educational Opportunities

In addition to programs offered by the District, our students have the opportunity to attend the Cumberland Perry Vocational Technical School, where more career-oriented programs are offered. Our high school students can also participate in Dual Enrollment and College in the High School programs.

### Attendance (Policy 204)

#### Absentee Reporting

1. When a child is absent, the parents/guardians are required to call the school on the morning of the absence and report the absentee's name and grade.  
2. School personnel will attempt to contact all homes of children who are absent but have not been reported absent by their parents/guardians.  
3. When a child is absent from school, the parent/guardian is responsible for sending a note to school stating the reason for the absence. This should be sent when the child returns to class. If a note is not received within three (3) days after an absence, the absence will be marked unexcused/unlawful.

#### Attendance Update

Regular student attendance is a vital part of every child's education. Because of the importance that daily attendance plays in the educational process of every child, the Department of Education and the schools of the Commonwealth are obligated to comply with state and federal requirements for student attendance and truancy.

With the PA Legislature's passage of Act 138 (2016), Cumberland Valley's attendance procedures reflect PA's truancy laws:

When a student is absent from school, the absence is considered unlawful until the school receives a written excuse from the parent/guardian. After three school days without a written excuse (or acceptable excuse per School District policy), the absence is considered unlawful. The District will send letters indicating an unlawful absence.

If a student accumulates a fourth unlawful absence, the parent will receive a reminder from the district stating the number of unlawful absences and invitation to participate in a School Attendance Improvement Conference (SAIC). The goal of this conference is a partnership between parents, student and school personnel to improve school attendance.

If a student accumulates six unlawful absences, the student is considered habitually truant. At this time the child may be referred to a community or school based program, Cumberland County Children and Youth and/or a truancy citation with the District Magistrate.

#### Dismissal From School (Appointments & Illness)

Parents must report to the building main office and request the pupil(s) involved. Do not go directly to the classroom.

1. Children shall be released from school only to authorized persons.  
2. In case of a child's illness, it shall be determined that the parent or reliable adult is at home before the child is sent home.  
3. Requests for released time for dental and medical appointments shall be honored when impossible to arrange them on non-school time. A

written request from the pupil's parent or guardian is necessary. Upon return to school, students will be required to provide a note from their medical provider.

4. Children shall not be dismissed during school hours for non-school activities such as private music lessons, dance lessons, scouts, etc.

The Compulsory School Attendance Law of Pennsylvania states that when a child enters kindergarten he/she comes under the compulsory attendance laws. Policy 204 stipulates the following:

#### Excused Absences

1. Illness
2. Family emergencies
3. Prearranged doctor and dentist appointments
4. Authorized school activities
5. Approved student educational trips (two (2) trips not to exceed five (5) school days)
6. College visitations - two (2) days per year during grades 9-12
7. Medical documentation will be required for students who acquire ten (10) or more absences during the school year. The policy indicates that pre-approved educational trips and absences for religious holidays or religious instruction (within guidelines) will be considered a lawful absence and be exempt from the 10 days of cumulative absence necessitating a physician's statement.

#### Unexcused Absences

1. Absences from school with parents' consent for reasons other than those considered excusable.
2. Leaving school during school hours and going directly home without office permission.

ALL UNLAWFUL / UNEXCUSED ABSENCES WILL BE RECORDED AS SUCH WHEN A NOTE IS NOT RECEIVED WITHIN THREE DAYS OF THE ABSENCE AND WILL NOT BE CHANGED TO LAWFUL OR EXCUSED EVEN IF A NOTE (PARENT, PHYSICIAN, OR OTHERWISE) IS RECEIVED AFTER THE THREE-DAY PERIOD.

#### Transfer

The school laws of Pennsylvania require that accurate records be kept of all pupils in each school. This is possible only with the full cooperation of parents. Parents must report: (1) Any change of address within the school system and (2) the date of withdrawal if the family is moving from the District.

#### Withdrawal

When a withdrawal from school is due to a move from the District, parents must supply the school with the exact date of withdrawal, their new address, and the name of the school district to be entered.

#### Educational Trips (Policy 204)

A student will be permitted to take no more than two (2) educational trips per school year, not to exceed a total of five (5) school days, with his/her parents/guardians. An excused absence will be recorded for trips complying with program requirements. An Educational Trip Form should be completed and returned to the office one week prior to the trip. Neglecting to gain prior approval for an educational trip will result in the recording of unexcused daily absences for those days absent. Educational trips will not be approved during the last 10 days of school.

# SCHOOL INFORMATION GUIDE | 2019-2020

For students who are required to participate in the PSSA tests, Keystone Exams, and/or any other state mandated assessment, educational trips will not be approved during those testing periods. Testing windows are listed within the calendar.

## Books & Supplies

The District supplies texts and materials, but teachers may also provide families a list of supplemental items for consideration for parent purchase. These texts, supplies, etc. are the student's responsibility. The student will pay for books that are lost or willfully destroyed by the student. The cost will be based on the replacement cost of the book.

## Bullying/Harassment/Hazing (Policies 247, 248, 249)

The Board strives to provide a safe, positive learning climate for students. Therefore, it shall be the policy of the District to maintain an educational environment in which bullying, harassment, and hazing in any form are not tolerated.

## Cell Phones & Electronic Devices (Policy 237)

The Board of School Directors approved an electronic devices policy that gives building-level discretion regarding the use of cell phones and electronic devices within buildings. As part of Bring Your Own Device (BYOD), students, staff, and guests may choose to bring to school and use their own personal Internet-ready devices. They will be able to access the Internet through an open network (filtering will remain in place as per the Children's Internet Protection Act to filter pornography and obscenities).

The BYOD plan does not require students have a personal Internet-capable device, but rather allows connectivity to the Internet for those who choose to bring a device to school and allows for the use of such devices in classroom settings, when appropriate. Additionally, teachers and administrators have been trained in technology integration and will be encouraged to use technology when appropriate.

## Central Registration

A child may enter Kindergarten if he/she is five years of age on or before September 1 of that school year. To be eligible for the first grade, a child must be six years of age on or before September 1 of that school year. Please reference policy #201 for information regarding Admission of Beginners. All students entering the District must be registered through Central Registration located in the District Office. Families entering the district must provide proof of residency. For more information about the registration process, please visit [www.cvschools.org/registration](http://www.cvschools.org/registration). Please call (717) 506-3399 or email [registrar@cvschools.org](mailto:registrar@cvschools.org) with additional questions.

## "Child Find": Screening & Evaluation

In compliance with state and federal law, the Cumberland Valley School District is responsible for locating, identifying, and educating school-aged students requiring special programs or services. Parents may contact the building principal to request a screening or evaluation. Requests should be made in writing to the principal. Upon receipt, the Child Study Team (CST), which includes the parent, will meet to review the request and screening information. This information will be used to recommend interventions to meet the child's specific needs and/or to document the need for further evaluation. For more information, visit [www.cvschools.org/specialeducation](http://www.cvschools.org/specialeducation).

## Gifted Program

The Cumberland Valley School District offers a gifted program for K-12 students who have been identified with outstanding intellectual and creative ability, which require specially designed programs not provided in our regular education programs. (22 Pa. Code 16.1)

Cumberland Valley has designed a multi-tiered process of identification that seeks input from parents, teachers, counselors, school psychologists and when appropriate, the student.

Chapter 16 requires that "Each school district shall adopt and use a system to locate and identify all students within that district who are thought to be gifted and in need of specially designed instruction." (22 Pa. Code §16.21(a))

"Each school district shall determine the student's needs through a screening and evaluation process which meets the requirements of this chapter." (22 Pa. Code §16.21(c))

For more information, visit: [www.cvschools.org/giftededucation](http://www.cvschools.org/giftededucation)

## Services for Students in Nonpublic Schools

Parents of nonpublic school students who suspect that their child is exceptional and in need of special education may also make a request for screening and/or evaluation. Parental requests should be made in writing and directed to the nonpublic school director/principal who, in turn, will contact and forward a copy of the request to Gaynelle Angelo, Director of Special Education,

## Services for Protected Handicapped Students / Chapter 15 Regulations

In compliance with state and federal law, the Cumberland Valley School District will provide each protected handicapped student without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability, which substantially limits or prohibits participation in or access to an aspect of the school program.

These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs. To obtain additional information about the evaluation procedures and provisions of services to protected handicapped students, contact Gaynelle Angelo, Director of Special Education, (717) 506-3338.

## Services for Preschool Age Children

The Pennsylvania Department of Public Welfare is responsible for providing services to infants and toddlers, which is defined as children from birth through two years of age. Contact: CONNECT Information and Referral number: 800-692-7288 (for TTY, dial 711 for Relay Service) for local information and referral. CONNECT staff are able to assist families in a variety of health, education, and welfare issues.

The Pennsylvania Department of Education is responsible for providing services to preschool age children from ages three through five. For

more information, please contact the Capital Area Intermediate Unit #15 at (717) 732-8400 and ask to speak with the Early Intervention Supervisor.

## Additional Resource Information

Cumberland Valley School Web site: [www.cvschools.org](http://www.cvschools.org)  
State Level Resource: [www.pattan.k12.org](http://www.pattan.k12.org)

## Community Aquatics

### Learn-To-Swim Program

The District sponsors a fee-based Learn-To-Swim program during September, March, and the Summer months. Please visit the Community Aquatics web page for dates and times of classes as well as instructions on how to register.

### Community Aquatic Program

The community program reflects the District's philosophy that the pool should serve as a community resource in addition to its school day function. Schedules are made available on the Community Aquatics web page. Community program courses are divided into two categories: public service and special interest. The District sponsors public service courses. In special interest courses, fees are charged to cover the cost of instruction. The District supplies the facility and equipment. Additional information can be secured from the Community Aquatics Office: (717) 506-3689.

## Corporal Punishment

Use of corporal punishment is prohibited in accordance with 22PA Code, Chapter 12 with the provision, notwithstanding anything to the contrary herein above provided reasonable force may be used by teachers and school authorities:

1. To quell disturbances.
2. To obtain possession of weapons or other dangerous objects.
3. For the purpose of self defense.
4. For the protection of persons or property.

## Culinary Nutrition Services (Food Service)

The Cumberland Valley Food Service Department subscribes to the National School Lunch Program (NSLP) and the School Breakfast Program (SBP) for all school levels in the district. Our primary mission is to provide all CV students with nutritious menu offerings by using fresh ingredients and quality sourced products. We believe in using recipes that not only taste great but are nutritionally balanced too. Our team of food service professionals are dedicated in providing quality food choices to promote a healthier future for all children.

## Meal Payment System

School Cafe is the district's provider for the meal payment system. The School Café link is on the district website at [www.cvschools.org](http://www.cvschools.org). Go to the website and click on Food Service page and then go to the tab labeled SchoolCafe. This will open up the School Café website where you can set up an account. By setting up a user account, parents and staff can deposit money into their school meals account, view account balances, set up low balance notifications and track cafeteria purchases. Meal payments are made by using a credit/debit card or e-check and you may prepay a sum of money between \$1 and \$100 to your account at any time. If you don't wish to use the on-line payment system, you may use cash or write a check made payable to CV School

# SCHOOL INFORMATION GUIDE | 2019-2020

Lunch Account (please list student number [PIN] on your check). This sum will appear on your account and will function as a declining balance account. If you do not wish to prepay, you may still pay with cash each day using your student number (PIN). There are NO credit card sales on site. Everyone will be required to use their pin number to purchase items in the cafeteria. Any unused prepaid amounts at the end of the school year will carry over to the next school year. Students leaving the district may request a refund of any remaining balance. All refunds under \$5.00 are provided in the school cafeterias. Refunds over \$5.00 must be requested in the cafeteria or from the food service office. All refunds over \$5.00 will be refunded via a check from the food service office. When a student's balance is getting low or in the negative parents may be alerted via a letter from the cafeteria, an email, text or a phone call from the school. When a student's has a negative balance the parent or guardian will be contacted. Due to recent Lunch Shaming regulations put in place by the State we are no longer allowed to tell the student they are low on funds or in the negative unless they ask the cashier. The food service department may also contact the parent by letter, email, text and/or phone calls to repay any negative accounts.

| 2019-2020 School Lunch Prices              |        |
|--|--------|
| Milk                                       | \$ .60 |
| Student breakfast (elementary & secondary) | \$1.85 |
| Adult breakfast (elementary & secondary)   | \$2.30 |
| Student lunch (elementary)                 | \$2.75 |
| Student lunch (secondary)                  | \$3.00 |
| Adult lunch (elementary & secondary)       | \$4.05 |

## Breakfast Program

We highly encourage CV students to participate in the School Breakfast Program. Breakfast is the most important meal of the day for children, as it provides the necessary energy for a day of learning and achievement. The CV breakfast program offers students a balanced hot or cold meal consisting of fresh fruits or 100% juice, vegetables, grains, meat/meat alternate and fluid milk. Students must select three out of four components and one must be a fruit or vegetable to make it a meal. All students are required to return their trays and utensils to the designated area. All trash needs to be placed into the garbage or appropriate recycling containers. Monthly breakfast menus are posted in the classrooms and available on the district web site: [www.cvschools.org/foodservice](http://www.cvschools.org/foodservice).

## Lunch Program

Each day the cafeteria offers all five food components that are identified in the National School Lunch Program. The components are grains, fruits, vegetables, meat or meat alternate and fluid milk. We encourage all students to take all five components when purchasing a lunch meal but they are only required to take three of the five components and one must be a fruit or vegetable to make it a meal. Students that have medically recognized allergens or intolerances to any food or beverage item must submit written documentation from their physician to the school nurse. If a student has a medically documented milk/lactose allergy, he or she may receive a cup of water with their school lunch at no additional cost. The nurse's office will ensure that the Food Service Supervisor is made aware of any student with documented food allergens or intolerances and their records are kept current during the school year. All students

are required to return their trays and utensils to the designated area. All trash needs to be placed into the garbage or appropriate recycling containers. Monthly lunch menus are posted in the classrooms and available on the district website at [www.cvschools.org/foodservice](http://www.cvschools.org/foodservice)

Contact Shawn Harlacher at (717) 506-3318 ([sharlacher@cvschools.org](mailto:sharlacher@cvschools.org)) with questions.

## Emergency/Natural Disaster

If an emergency should arise when the students are in school, appropriate action will be taken to protect the health and safety of everyone.

### Emergency Contingency Plans:

1. If time permits, students will be returned to their home via normal dismissal procedures.
2. If the emergency situation is such that the best location for students is the school building, all students will be housed in the facility and cared for by the professional staff.
3. If an emergency exists where the students are in imminent danger, they will be evacuated and taken to another site (such as another school), which will be determined by the Office of Emergency Preparedness. In the event an evacuation of your child's school is warranted, you will be notified via the district's automated telephone system. At that time, you will be given information regarding the situation. PLEASE DO NOT CALL THE SCHOOL. In the event you are asked to come and pick up your child, you will be directed via the automated telephone system to the district's Reunification Site.

All actions to be taken in emergency situations will be given directly from the District Administration Office.

### Inclement Weather/Emergency

When bad weather conditions develop during the night, the Superintendent will assume the responsibility for making the decision as to whether schools will open at regular time, open with a delay, or be closed. Announcements will be made via the District's telephone alert system\* and through the District's website, [www.cvschools.org](http://www.cvschools.org), beginning at about 6 a.m. The announcements may also be made over select local television stations, should time permit. Should inclement weather make it necessary to close early during the school day, announcements will be made via the same outlets.

The policy of the District is to keep schools open, if reasonably possible, and thereby continue to follow the established school calendar for the school term. On the morning of a delayed opening, parents are requested not to bring children to school prior to the announced time. In case of early dismissal, be sure children have a procedure to follow: e.g., go to a neighbor, know where a house key is located, call parents during the school day, etc.

### Delayed Openings

All delayed openings will be with modified Kindergarten schedules. Please contact your child's school for the delayed opening schedule.

NOTE: ANNOUNCEMENTS PERTAINING TO THE SCHOOL SCHEDULE DUE TO WEATHER/EMERGENCIES WILL BE MADE OVER THE FOLLOWING\*:

- Telephone alert system
  - District Web site - [www.cvschools.org](http://www.cvschools.org) - and accompanying tools are available (CV E-news, Facebook, Twitter, etc.)
  - Whenever possible, television stations such as WGAL-TV (Channel 8) and WHTM-TV (Channel 27)
- \* If there is ever a time that you do not receive a telephone alert call and believe school should be delayed or canceled, please check the district's website and selected TV stations for confirmation. Barring no major power and/or Internet outages, the district website will have the most up-to-date information.

## English Language Development

Cumberland Valley School District provides an English Language Development (ELD) program for students who are in need of additional instruction to master the English language and become proficient in their studies. Students are identified for services by a process that includes completion of the Home Language Survey upon registration, language proficiency screening and testing. ELD instruction may take the place of a student's Language Arts/English class or supplement it. When eligible for ELD services, students receive instruction based upon their level of need. A certified instructor who has received special training in meeting the needs of non-English speaking students will provide this instruction. ELD services are provided in most Cumberland Valley schools. At times, the school chosen to deliver the instruction may not be the "home school" of the student. If a student is placed in a different school in order to receive ELD services, the student will become a member of that school's community and receive ALL instruction at that location. In these cases, the District will provide transportation to and from the ELD school.

Parents of English Learners have the right to refuse certain separate, specialized programs and services that may be part of the Language Instruction Educational Program (LIEP) for their children. This may be done by requesting the appropriate form from your child's ELD teacher. Students whose parents refuse services will still be labeled as English Learners and must take the ACCESS test annually until they meet the reclassification criteria.

Parents have the right to ask questions about their child's ELD program. The District has established a procedure parents can follow if they feel their questions about the ELD program are not being adequately addressed. If, after discussing the concern with the student's ELD teacher, the issue cannot be resolved, the building principal should be contacted. If the principal cannot adequately address the concern, the issue should be directed to the coordinator of the ELD program. If the problem still cannot be resolved, Cumberland Valley will ask the Pennsylvania Department of Education's ELD staff to assist with resolution of the problem.

Questions about the ELD program in general can be addressed by calling Christina Stoshack, ELD Program Coordinator, at (717) 506-3455 or [cstoshack@cvschools.org](mailto:cstoshack@cvschools.org).

## Grade Reporting to Parents

At the secondary level, report cards are electronically released to all students at the end of each nine-week grading period. Report cards will be released at the elementary level on a trimester schedule. Report card release dates are listed in the calendar, but these dates may be delayed if schools must be closed due to inclement weather or other

# SCHOOL INFORMATION GUIDE | 2019-2020

emergencies. Parents may request a hard copy of their child's report card by contacting their child's school building.

## Health Services & Regulations

A primary responsibility of the school is the protection of the health of each child. To ensure this protection, the health services of our schools are extensive. Each of our buildings is staffed at all times by licensed nurses. The building nurse will care for children who become ill or injured. In cases that require immediate intervention, the school will notify parents and obtain emergency transportation to a medical care facility. Immunization requirements may be found on the district web site at [www.cvschools.org](http://www.cvschools.org).

## High School Student Parking

Student parking is available as a privilege to juniors and seniors who may park on campus after purchasing a parking pass. Students who receive parking privileges are required to sign the consent form for random drug testing.

To purchase a pass, students need to do the following:

- Show a valid driver's license.
- Have current insurance and registration.
- Provide automobile information (year, make, model, color, license #).
- Complete a parking form (including parent signature).
- Read and accept the rules for parking.

Parking rules and regulations will be reviewed at the beginning-of-the-year assemblies and are available in the student handbook found at [hs.cvschools.org](http://hs.cvschools.org). Students who receive parking privileges are responsible for understanding and adhering to the rules. The number of parking passes is limited and sold through a lottery system before the start of the school year. For more information, students should contact their grade-level office.

## Homeless Students (Policy 251)

Cumberland Valley School District recognizes its obligation to ensure that homeless students have access to the same educational programs and services provided to other district students. The District Homeless Liaison along with school staff shall identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulations. Policies, procedures and administrative regulations that create barriers for enrollment, attendance, transportation and success in school for homeless students, may be waived.

Homeless students are defined as individuals lacking a fixed, regular and nighttime residence, which include the following conditions: living in hotels, motels, camp grounds; living in emergency shelters either transitional or domestic violence; unaccompanied youth and run away children; families temporarily doubled up due to loss of housing (fire, eviction, etc.); living in cars, parks, public spaces.

Resident families are encouraged to contact the District Homeless Liaison, their school counselor or their building principal to discuss their situation. Families new to the district should speak with the Central Registration staff during their registration appointment.

For questions or more information, please contact Maggie Stern, District Homeless Liaison, [mstern@cvschools.org](mailto:mstern@cvschools.org) or (717) 506-3384.

## Homework

The amount and type of homework assigned by teachers will vary by class and even by student. Homework is assigned with a definite reason and purpose. When a student is absent from school for a period of one to three days, it is not necessary for the parent to call the school for homework assignments. The work will be made up when the student returns to class. When a student is absent from school for an extended period of time, parents are encouraged to contact the school for homework assignments.

## Non-Discrimination Policy

See inside of front cover of this calendar for information on this policy, including contacts.

## Parent-Teacher Groups

Each of our elementary and middle schools has an organized parent-teacher group. We feel that cooperation between parents and the school is of great significance in the educational growth of the pupil. These organizations help foster this atmosphere of cooperation. Information about activities and operation of these organizations will be sent home from the school throughout the year. Involvement is the key to a successful PTO.

## Parent Visitation

The doors of the Cumberland Valley schools are open to parents and residents. We encourage parents to see their schools in action. We require visitors to report to the school office upon entering the building. Visitors are required to present identification to secure a "Visitor's Badge" that must be worn while they are in the building. The badge must be returned before leaving the building. The badge will expire after a predetermined amount of time. This is important to the staff and building principal in providing for the protection and welfare of children.

If planning a classroom visitation, a note requesting permission and establishing a date should be sent to the teacher at least a day before the visitation. Also, if a parent wishes to buy lunch in the school cafeteria, advance notice is necessary.

## American Education Week

Cumberland Valley School District will participate in the observance of American Education Week. Parents are invited to visit the schools and their children's classes during selected days this week, as listed in the calendar.

## Phone Calls/Messages to Students & Teachers

No telephone calls, other than emergencies, will be given to pupils or teachers during the time that classes are in session. Students will not be permitted to make phone calls unless it is urgent.

## Teacher Contact

Teachers may be contacted before and after class sessions. The school secretary may be asked to have the teacher or student return a phone call at his or her earliest opportunity. Most teachers may be contacted via email by using their first initial, last name, and [cvschools.org](mailto:cvschools.org) ([flast@cvschools.org](mailto:flast@cvschools.org)).

## Playground

It is our opinion that students need time daily for outdoor playground activities and free play, weather permitting. Playground aides, with a grade-level teacher, provide supervision during the recess period. All students must go outside for recess unless they have brought a note from a physician. A physician's statement must accompany a request for extended excused absence from recess. Parents are asked to have their children wear the appropriate seasonal clothing for the playground activities.

School-wide Positive Behavior Support parameters guide expectations for students during playground time and throughout the remainder of the school day.

## Random Drug Testing & Breathalyzers, Random Searches (Policies 223 & 227)

Those students opting to participate in extra and co-curricular activities, athletics, and granted driving privileges will be asked to consent to random drug testing to be eligible for these privileges. In addition, students attending dances are subject to random breathalyzer testing for alcohol. From time to time, the District will engage in the utilization of drug dogs within the schools and parking lots. Proper notice of such occurrence will be in compliance with school code.

Additionally, as a condition of obtaining a parking permit under policy no. 223, each student applying for a parking permit, and each student's parent or guardian, shall consent to random searches of vehicles driven by students to school and parked on campus in designated student parking areas. Random searches of student vehicles shall be conducted by the High School administration, in conjunction with local law enforcement, using trained drug dogs. The High School administration will coordinate random drug searches of each vehicle each academic year as needed. Note: The District does not assume any responsibility for damage to vehicles parked on campus.

## Schedules

| Elementary Information |           |            |           |            |

| Good Hope Middle       | 7:43 AM   | 2:43 PM    |           |            |

## School Video/Audio Surveillance (Policy 810.2)

The use of a video/audio recording is intended to assist the administration, contractors and drivers in observing behavior, preventing violation of bus rules school rules, regulations, district policies and Pennsylvania law; and utilizing and/or dispensing such surveillance when required for disciplinary, civil and/or criminal matters. The actual taping may include audio or video, or both.

Video/Audio recorders may be placed on any and all buses or schools.

# SCHOOL INFORMATION GUIDE | 2019-2020

All students are subject to being videotaped on the school bus or at school at any time. Notification to parents/guardians will be made through school district publications, the district website, and visible notice on all buses or buildings equipped with audio language, providing notice that audio as well as video, inception is occurring on the bus and at district buildings.

The video/audio media are intended for use with respect to issues relating to safety and behavior on the bus and at school. Video/Audio media are not intended for general viewing by a student, employee, parent/guardian, or the public and shall not be made available for general viewing purposes; nor are the video/audio media intended to relieve bus drivers or other district personnel of their responsibilities for submitting disciplinary reports. Bus drivers and district personnel may view the video/audio media for the purpose of drafting conduct referrals, only with the Superintendent or designee in attendance. Please see Policy 810.2 for more detail.

## Social Media (Policy 816)

The District has in place a Social Media policy that outlines appropriate usage guidelines for students and staff. The policy is available for review on our website.

## Special Education

The Cumberland Valley School District provides the necessary programs to meet the unique needs of identified children. Such children are identified through a process that is in compliance with federal and state standards.

Referrals for requesting special services are customarily made by the teacher to the principal and/or counselor of the school. Parent(s) can also refer a child for special services by writing to the principal or counselor assigned to the school where their child attends. Parents may also contact the Director of Special Education at (717) 506-3337. Following a thorough multi-disciplinary evaluation, the MDE team (composed of parents and school personnel) makes recommendations for appropriate programming. If the student is deemed exceptional and in need of special education, an Individual Education Program (I.E.P.) is mutually agreed upon and implemented.

It is the intent of the Cumberland Valley School District to serve children with disabilities in the school they would normally attend whenever possible. The District has eight elementary schools, each of which can provide programs for instruction in basic skill acquisition. At the secondary level each of the two middle schools and the Cumberland Valley High School can provide programs that address the needs of learners for either direct instruction or support.

Guidance counselors are assigned to all schools (K-12) and are available to assist parents and their children in all phases of their personal and/or educational development. These include course selection, career choices, schedule changes, college matriculation, test interpretation, and any other area in which a parent or student may need assistance.

School psychologists are available to do individual testing, to meet with students and parents, and to provide the staff with important information to resolve students' personal and/or educational problems.

Please visit our website at [www.cvschools.org](http://www.cvschools.org) for information on

contacting a member of the Special Education department.

## Student Insurance

Each student enrolled at one of the Cumberland Valley District's schools has the option to purchase student insurance at a special school rate. This policy covers any accident:

1. While on the way between home and school.
2. While within a school building or on the school grounds.
3. As a member of a group participating in a school sponsored activity, including field trips.

In the event of an accident, the student (or parents) should contact the school nurse for a claim form. However, any question concerning coverage should be directed to the insurance company or the company's agent listed on the insurance company's brochure.

## Student Records (Policies 216, 216.1, 216.2)

In accordance with federal and state law, and regulations and directives identified by the State Department of Education, the District compiles and maintains academic, attendance, discipline, and health records for all students.

Parents and students please note: Under FERPA regulations, post-secondary schools and institutions can request information regarding student disciplinary records. Such information may include detention, suspension and/or expulsion, and if applicable, any specific violations of academic dishonesty.

## Title I Parental Involvement (Policy 918)

The Cumberland Valley School District is committed to the belief that all children can learn and acknowledge that parents share in this commitment to the educational success of their children. We define parent and family involvement as an on-going process that assists parents and families in meeting their basic obligation as their child's first educator. It promotes clear two-way dialogue between home and school, and supports parents as leaders and decision makers at all levels concerning the education of their children.

To this end, a written plan for Title I parent involvement that establishes programs and practices to enhance parent involvement and reflect the needs of students and families will be jointly developed by parents and school staff. The plan will be unique to each Title I building within Cumberland Valley School District and will provide a sense of direction for designing initial and ongoing activities. For more information, please reference your building's Title I webpage and/or [www.spac.k12.pa.us/parentresources.htm](http://www.spac.k12.pa.us/parentresources.htm). To view the policy, please visit [www.cvschools.org](http://www.cvschools.org).

## Transportation Guidelines

Cumberland Valley School District routes school buses, establishes stops, and maintains safety in the most efficient manner consistent with state law, School Board policy, and Cumberland Valley School District guidelines. Transportation and Board policy can be found on the school district Web site, [www.cvschools.org](http://www.cvschools.org).

Realizing there may be conflicts involved with changing school bus stop locations, the criteria utilized in establishing new stops or reviewing current stop locations is listed under 'Transportation' on the District website.

Administration has the sole responsibility and authority to develop

bus routes based on guidelines established and adopted by the School Board. Changes will only be made following review by the Transportation Coordinator. School bus drivers are not permitted to change the location of school bus stops. Guidelines are in place to provide efficient transportation throughout the District while keeping the safety of our students a priority. It is important to remember that in Pennsylvania, it is considered a privilege to ride a school bus, not a right.

If a student is to ride another bus or get off at another stop, the student must present a District Bus Note, completed and signed by a parent/guardian and the building principal or designee, to the bus driver. A blank bus note to complete can be found under 'Transportation' on the District website. Students are not permitted to ride alternate buses without this document. Only under emergency circumstances will a telephone call to the building requesting a bus change be accepted.

## Vo-Tech Transportation:

The District provides transportation to/from the Cumberland-Perry Area Vocational Technical School daily. On days of non-weather related or emergency early dismissals, transportation to CPAVT will be provided; however, parents will be responsible to pick students up from the bus lot at 3:00 p.m.

Inquiries regarding transportation should be made to (717) 506-3310 or (717) 506-3317.

## Wellness Policy (Policy 246)

Public Law 108-265, Section 204, requires school Districts to develop and implement a "Wellness" policy.

The policy recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development, and readiness to learn. Consequently, the District is charged with providing a comprehensive nutrition program consistent with federal and state requirements. These requirements include providing students with nutrition education and supporting healthy eating. In addition, schools will strive to provide opportunities for developmentally-appropriate physical activity during the school day. Physical education classes will be the means through which all students learn, practice, and are assessed on appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.

Provisions within the law establish nutrition guidelines for Districts to follow. Food items sold during the school day as fundraisers are subject to à la carte standards. The "a" guideline also applies to classroom parties and require that fresh fruit or vegetables, and water, milk or 100% fruit juice be offered.

*The Cumberland Valley Board of Directors reviews, revises, and develops policies on a regular basis. Once approved, policy changes supercede those noted in the district calendar and building handbooks.*

# ATHLETIC SCHEDULE | 2019-2020
