

Dear Friend of CV:

Plan to be a part of the 16<sup>th</sup> annual community-loved event that has raised \$565,000 in its fifteen-year history to support additional educational, cultural and activity programs for our students within the Cumberland Valley District. Our goal this year is to add \$44,000 more to the total!

Think sea, gold, jewels, fortune-hunter . . . **We invite you to grab your adventurous spirit and join us for the *treasure hunt under-the-sea*-themed event by joining us as a food vendor to help us continue providing valuable student resources.** You will have the opportunity to showcase a couple of your menu specialties and help us fulfill our mission of supporting educational, cultural and athletic activities for our CV students. In exchange for providing a sampling of one or two of your menu items (an appetizer, entrée, dessert or non-alcoholic beverage), the Eagle Foundation will provide you with:

- Your business name on printed event materials.
- **Inclusion in the Restaurant Guide if you confirm participation by 10/19/2016**
- A half-page advertisement in the event program (black and white, 7½” long x 4½” high).
- Opportunity to distribute your promotional items (i.e. menus, coupons)
- Name placement in press releases sent to media.

We provide food vendors with a six-foot table, basic paper products and plastic ware for the tasting. We also print a black and white sign with your business name and address for your table.

**Please reserve your table at the November 5th 2016 Touch of the Valley sampling event by completing the electronic reservation form**

**<http://tinyurl.com/EFtastingresponse> or sending in the enclosed form ASAP.**

We expect an attendance of close to 450 persons at the event.

Questions can be directed to Bobbi Jo Gabrielson (506-3351 or [bgabrielson@cvschools.org](mailto:bgabrielson@cvschools.org)). We look forward to your involvement!

Sincerely,

Tracy K. Katshir  
2016 Event Chairperson

P.S. See the enclosed list of 2015 participating food vendors.

**“EXCELLENCE IN EDUCATION”**
