

Welcome to My Cyber World: Examining Social Media with Parents and Students

Wednesday September 27, 2017

Cumberland Valley High School Performing Arts Center

The program is from 6:30 - 7:30 p.m.

Community Health Fair and registration opens at 5:45 p.m.

Parent Program: This program seeks to educate parents on the various forms of social media. We will address topics such as cyber safety, hidden apps, the dangers of online gambling or gaming, and laws surrounding social media. There will be open discussion to support parents in initiating conversations with their child and to show parents ways they can support their child with the struggles of peer pressure related to social media.

Middle/High School Student Program: During this program, the presenter will guide students toward healthy decision making in a relaxed format. Students will receive information regarding social media safety and cyber-bullying. They will touch on the laws of social media as well as the risks related to online gaming.

To register contact: Jennifer Weigle, District Social Worker at (717) 506-3932 or jlweigle@cvschools.org

*Pre-registration is not required but appreciated. Light refreshments will be provided following the presentation.
