Quick Answers

How do I add money/make a payment to my child's account?

You can continue to send money to school with your student or you can add money through SchoolCafé. Follow the steps in Make a Payment in this guide.

2. I made an online payment. When can my student use the payment?

Your student's cafeteria account at the school is credited within 24 hours but may become available as quickly as 2 hours.

3. Is there a fee or service charge for making online payments?

A 5% convenience fee is charged for each online payment transaction. For example, if you make a \$20.00 payment, the convenience fee is \$1.00. Therefore, the total debited from your credit card is \$21.00. The available funds for your child will be \$20.00.

4. Can I receive notification when my student's account balance is low?

Yes! Follow the steps in **Set Up a Low Balance Alert** in this quide.

5. Why was my account locked when making a payment?

After three failed payment attempts, payment function is locked. Contact SchoolCafé to remove the lock.

6. What if I have several students in different schools?

Include as many students as you need in your account. The students can attend any school within the same district. Payments for each student are made separately.

7. Can I transfer money from one child to another? Contact the Child Nutrition Services office at the school district for assistance with a transfer.

8. What happens to the money in my account at the end of the school year?

Your account balance moves with your student(s) from grade to grade and school to school within the district. Contact the Child Nutrition Services office at the school district for assistance with a refund.

9. How do I receive a refund if my child changes school districts?

Contact your school directly for assistance with a refund.

10. What if I don't see my student listed?

The student may not be enrolled into the student information system yet. Check with the school of enrollment or wait a day or two and try again.
