

# Summer Enrichment 2020

## REGISTRATION INSTRUCTIONS

For additional information on camps and to view camp openings, visit [www.cvschools.org/efcamps](http://www.cvschools.org/efcamps)

Please review this packet for details on camp offerings. Registrations will be accepted online beginning **March 10, 2020 at 6 a.m.** for students living in the Cumberland Valley School District (you will be asked to enter the student ID when registering). Beginning on March 17th, students living outside the CV District can register for camps with availability.

- A **\$10.00 CANCELLATION FEE** per camp will be charged for ALL camps that are cancelled, regardless of the cancellation date.

Programs are being offered with age appropriate activities for children who will be enrolled in grades 1-12 during the 2020-2021 school year.

**Registration is by grade entering as of August 2020.**

This pamphlet describes the hands-on enrichment camps. In addition, the Foundation will fund programs like the Reading and Math Booster Program and Buddy Program that are being offered by invitation for students with specific needs.

Class cost for **most** camps: \$60.00 per class

- \* Full Day Camp is \$135.00 per child
- \* Hands On/Minds On Science Camp & Art Extravaganza are \$70.00 per child
- \* Bricks4Kidz Camps are \$125.00 per child
- \* Discover Scuba Camp is \$130.00 per child
- \* Musical Theater Camp is \$200.00 per child
- \* Girls On the Run Camp is \$125.00 per child
- \* Above Limits Climbing is \$125.00 per child
- \* Super Sculpt is \$135.00 per child

- ❖ **Online registration fees** will be charged by Active.com in addition to the class cost.
- ❖ Remember to keep a record of all classes for which you have registered your children. (Confirmations will be sent by email only.)
- ❖ There is a **\$10 administrative fee** for each **cancelled camp** regardless of the cancellation date.
- ❖ **Refunds cannot be granted for cancellations** within (4) weeks of the camp starting date.
- ❖ All camps have a minimum and maximum number of participants. Space is reserved on a first-come, first-served basis. Register early for the best camp selection. Wait lists are established after camps have been filled.
- ❖ **Wait lists** will be managed through group emails. All students on the given wait list will be sent an email to notify the group of any cancellations. Openings will be filled on a first-come, first-served basis determined by the email response dates/times.
- ❖ Students who are registered for paired camps will have a supervised one-hour lunch break including a 30-minute outdoor recess. Students will need to bring a packed lunch.
- ❖ The Foundation reserves the right to cancel a camp if the number of participants is not reached or for any other logistical reason. If the Foundation cancels a camp, the registration fees will be refunded.
- ❖ Pre-registration for all camps is required and should be done at least one week prior to the camp start date.
- ❖ **Scholarships are available to those who can demonstrate financial need.** Please forward an email to [bgabrielson@cvschools.org](mailto:bgabrielson@cvschools.org) explaining your need and assistance you are currently receiving. Indicate "Scholarship Request" as the subject.
- ❖ Full Day camps will have camp related work/free time activities at the beginning and end of each day. Students should bring a packed lunch. An outside recess will also be included in the break time.
- ❖ Locations are subject to change.
- ❖ **Students should not be dropped off earlier than 5 minutes prior to the class starting time and must be picked up within 5 minutes after the camp concludes. Earlier drop-offs or later pick-ups will not be allowed.**
- ❖ Questions can be directed to the Foundation office at 717-506-3383.
- ❖ Understand that summer building/camp staff is very limited. A nurse will not be in the building. Please list any situation you believe may require special attention. Attempts will be made to address these in advance and severe cases may need to reconsider participation.

**Bricks4Kidz® S.T.E.A.M. LEGO® Camp (A & B)      Grades: 1-6**

Supervisor: Douglass Fitzgerald

Location: Eagle View Middle School

**Registration for this camp is \$125**

At Bricks4Kidz® S.T.E.A.M. LEGO® Camp, your child will design and build educational models including motorized machines, develop problem solving and critical thinking skills through creativity, and apply math & science to real world situations while exploring architecture and engineering concepts. Campers will use fun-filled model plans designed by architects and engineers that reinforce S.T.E.A.M. (Science, Technology, Engineering, Architecture, & Math) based principles using LEGO® bricks.

Campers will be challenged with new themes each day; bringing their virtual designs to life by creating all new custom motorized models, playing games and completing challenges, and building remote-controlled custom contraptions. Bricks4Kidz® camps keep the pace fast and varied with guided STEM-based projects along with time for creative learning with over 100lbs of LEGO® bricks.

**Camp Girls On The Run      Grades: 3-5**

Supervisor: Sarah Fahrney & Capital Area Girls on the Run

Location: Mountain View Middle School

**Registration for this camp is \$125**

Girls will spend a week learning all about friendships, exploring their creativity through a series of workshops and playing collaborative games that keep them moving. Caring and qualified Girls on the Run coaches lead structured and engaging lessons. During the final celebration, girls will apply what they have learned over the week with a showcase of their original work from the program. Girls will learn critical skills, make new friends, build confidence and unleash their creativity in a safe and inclusive environment. For more information about the camp, or to request scholarship assistance, call Girls on the Run Capital Area (717) 763-4879 or email: [info@capareagirlsontherun.org](mailto:info@capareagirlsontherun.org). Scholarships to Camp GOTR will handled directly through the GOTR office. Eagle Foundation scholarships DO NOT apply to this camp.

**Chess Camp A & B      Grades: 3-9**

Supervisor: Jason Baker

Location: Silver Spring Elementary

**Registration for this camp is \$60**

Students will be grouped according to ability. Beginners will learn about the pieces, moves, and basic tactics. More advanced students will learn advanced tactics and basic openings. The camp will consist of both lessons and practice time. All levels are welcome.

**Discover Scuba Camp      Grades: 6-12**

Supervisor: Ron Willis, West Shore Scuba

Location: CV High School, lobby and pool

**Registration for this camp is \$130**

Harrisburg's West Shore Scuba is a PADI (Professional Association of Diving Instructors) dive center. They use instructional procedures and certifying standards established and maintained by PADI.

Students will learn how to correctly put on and adjust their equipment, control their breathing and get accustomed to being underwater and using their scuba equipment. They will put their new found skills to use while performing “Aqua Missions” underwater. In addition to their water time, the students will continue their learning out of the pool and will discuss conservation and marine biology. The only items that you need to bring with you for your Discover Scuba experience are a bathing suit, a towel, and a release form.

### **Future Stars Musical Theater Camp**

**Grades: 4-7**

**Golden Sponsor: The Barlup Family**

Supervisor: Sean Gallagher

Location: Middlesex Elementary

**Registration for this camp is \$200**

The Cumberland Valley Eagle Foundation is proud to present its second annual Musical Summer Camp. Students who aspire to be a performer, and are entering 4th - 7th grade for the '20-'21 school year, are eligible to shine on stage in this year's production of Beauty and the Beast Jr.

The camp begins on July 13th, with rehearsals Monday through Friday, from 9:00am - 4:30pm.

Rehearsal dates are as follows:

7/13, 7/14, 7/15, 7/16, 7/17, 7/20, 7/21, 7/22, 7/23

It is REQUIRED that students be able to attend ALL REHEARSALS. Please plan accordingly.

Our musical camp is an intense two weeks of rehearsal. Although we encourage all students to participate, please be aware that this camp requires a firm commitment. Students should be self-motivated and dedicated to learning their part independently, outside of rehearsals before the camp begins, and during the active two weeks of camp.

**NOTES: We will have 2 performances on July 24th. Rehearsals/Performances will be held at MIDDLESEX ELEMENTARY School.**

There will also be a MANDATORY parent meeting on 5/27 for students and their families. Important information and scripts/music will be distributed this night.

All students participating in the musical summer camp must audition. Auditions dates are as follows:

May 18th, 19th, and 21st, beginning at 5:30pm @ Middlesex Elementary School.(Auditions will be scheduled accordingly)

After confirmation of your enrollment, you will receive an email from the director, Mr. Gallagher. Please confirm you have entered your correct email address when enrolling. This will ensure you promptly receive the required information.

**LEGO Explorations            Grades: 1-3**

(pair with To the Moon and Beyond)

Supervisor: Leslie Burns

Location: Silver Spring Elementary

**Registration for this camp is \$60**

Students will have the opportunity to be creative and "build" different LEGO projects. Some projects will be theme-based and some will involve free build. The students will need to collaborate, cooperate and communicate effectively with team members throughout the process.

**Mindfulness for Kids            Grades: 3-6**

(pair with Passports and Postcards)

Supervisor: Cheryl Peterman

Location: Silver Spring Elementary

**Registration for this camp is \$60**

Mindfulness is a practice of intentional awareness of self, others, and the thoughts, emotions, events and interactions that surround us. Through instruction, guided practice, games and activities, this camp will plant the seeds that when cultivated can help kids be attentive and present in the fast-paced world around us and be better equipped to interact meaningfully with it.

**National History Day            Grades: 7-12**

(pair with Cooking, Crafts & Culture)

Supervisor: Jake Miller

Location: Mountain View Middle School

**Registration for this camp is \$60**

Interested in taking on the ultimate historical challenge? Plan on participating in the National History Day project at your school this fall. Any students entering grades 7-12 that love history and want to participate in the National History Day contest this year are invited to show off their historical muscles. Students will examine past national-winning entries, dissect the theme and choose strong topics, meet local historians and specialists, and have time to intensively collaborate on accomplishing the first steps in the process. Mr. Miller, 2016 PA National History Day Teacher of the Year, will lead the group. The National History Day project is part of the 8<sup>th</sup> grade enriched social studies class program. While students do not need to be in this class to participate in the NHD project, it can benefit those who will have the class.

### **Paper Roller Coaster Engineering      Grades: 5-8**

Supervisor: Mario de La Barrera

Location: Winding Creek Elementary

#### **Registration for this camp is \$135**

Students will engage in planning, designing, building, and testing their own paper roller coasters. Students will compete to build a roller coaster, made entirely out of paper, and see which roller coaster has the biggest "WOW" factor. This is a great opportunity for students to build and extend on their understanding (and directly apply their skills) of STEAM/STEM skills. Each student will get to build and take home their own paper roller coaster marvel. Campers will need to bring a packed lunch.

***NOTE: Students will need parents to sign their child up for a free account on TinkercAD ([www.tinkercad.com/](http://www.tinkercad.com/)). Since most of our students will be under 13 years of age, we are required to get parental permission for your child to have an account.***

### **Passports and Postcards      Grades: 3-6**

(pair with Mindfulness for Kids)

Supervisor: Joan Ostrander & Kim McCarthy

Location: Silver Spring Elementary

#### **Registration for this camp is \$60**

Come and join us as we travel to four different countries including France and Japan. We will explore the culture and customs of the countries we visit. First, we will learn where the country is located. Then, we will learn more about that country through singing, dancing, or playing rhythm instruments. We will also play games and create art work to represent each culture. For example, when we visit Japan we will learn how to do origami, which is the art of Japanese paper folding. We will learn how to eat with chopsticks and sample Japanese food. We hope you are able to join us for fun adventure around the world!

### **STEAM Innovation      Grades: 5-8**

#### **Sponsor: Kevin Noonan Memorial Foundation**

Supervisor: Mario de La Barrera

Location: Winding Creek Elementary

#### **Registration for this camp is \$135**

Did you love Explorations from Elementary school (or wish you could've had it)? Want to make it even better? Active learners will engage in STEAM (Science, Technology, Engineering, Art, and Mathematical) concepts as they envelope themselves in team-building activities to prepare them as 21st Century citizens. Students will engage in building and creating code to power robots. We will work on creating water bottle rockets to launch into the skies. Students will build model bridges and test their strength. These are just some of the projects we will be building as we continue to create future

leaders full of confidence, learning how to persevere through challenges using the LAUNCH cycle. Campers will need to bring a packed lunch.

**Super Sculpt    Grades: 4-5**

Supervisor: Sue Lutz

Location: Winding Creek Elementary

**Registration for this camp is \$135**

If your young artist likes working with different types of clay and other sculpture materials, they will love Super Sculpt. This class will be for two fun filled weeks so only sign up for it if you can attend both weeks. If you can only come for one week you will not be able to finish the planned projects. Campers will explore many different sculpture mediums and techniques during this **two-week camp**. Campers will be given time to discover their own artistic abilities while working on several pieces of art they will take home the last day of camp.

**Think Outside – No Box Required!    Grades: 2-5**

Supervisor: Meagon Stoner

Location: Shaull Elementary

**Registration for this camp is \$135**

Want to learn team building skills while improving your math knowledge?! What about enhancing your reading abilities to a whole new level with “out of the box” learning?? Come join us for a full week of “learning” through football, survivor and even a restaurant-like atmosphere! You’ll have so much fun you won’t realize you’re improving your reading and math skills. Campers will need to bring a packed lunch.

**To the Moon and Beyond    Grades: 1-3**

(pair with LEGO Explorations)

Supervisor: Deanne Williamson

Location: Silver Spring Elementary

**Registration for this camp is \$60**

Fire up the rocket boosters, it’s time to go to space! We are creating an “out of this world” experience as we learn about planets, gravity, and rockets through books, crafts, STEM projects and games. Each day we will become astronauts and bring outer space down to Earth!

### **Wilderness Explorers Environmental Education Camp**

**Grades: 3-6**

**Golden Sponsor: Toiga Farms**

Supervisor: Tyler Pierce

Location: Middlesex Elementary

**Registration for this camp is \$135**

Caw, Caw, Rawr; Wilderness Explorers assemble! In this hands-on camp we'll head out onto the Middlesex Environmental Trail for the whole week to explore a variety of environmental topics through engaging lessons, games, art projects, and STEM activities! We will explore important foundational concepts from adaptations and evolution through the watersheds and the water cycle. Over the course of the week we will build background knowledge in order to apply what we learned to a call to action activity at the end of the week. Come join us in a fun filled week of adventure! Campers will need to bring a packed lunch.

### **Working Your Engineering & Math Skills**

**Grades: 4-6**

**Golden Sponsor: Alba Orthodontics**

Supervisor: Paul Leidigh

Location: Winding Creek Elementary

**Registration for this camp is \$135**

This engaging day camp includes 4 days of putting your brain to the test. We will spend our time working with K'Nex to design and construct simple machines. Students will incorporate the 4 C's of the 21st Century (Communication, Collaboration, Creativity, and Critical Thinking) as they work with peers. The activities will be the same as in years past. The second part of the camp will be a change of pace to the fast-paced world of mathematics as we play Math 24. Students should be FLUENT with all facts to really enjoy the camp. The object of the game is simple - use 4 numbers once to either add, subtract, multiply or divide and get the target of 24. Do all of this before the other 3 people in your group and you win the card. Cumberland Valley and CAIU hold tournaments each year for 4th and 5th graders to show their talents. This camp will introduce you to the addicting game or assist you in keeping your skills sharp. Campers will need to bring a packed lunch.
