# Mask Mandate

- On June 28, 2021, the Mask Mandate in Pennsylvania issued by the Secretary of Health and the Governor will be lifted.
- Since June 5, 2021, individuals on Cumberland Valley properties have been advised of the ongoing Mask Mandate, but have been asked to determine their own compliance with the mandate and their vaccination status.
- Beginning June 28, 2021, all masking on CV properties, regardless of vaccination status, will be fully optional.
- Individuals who are not vaccinated are still encouraged to wear a mask by the CDC and PA Department of Health, but compliance with this is no longer required by the PA DoH.

# 2021 Fall Planning and Scheduling

- We are planning for a full 5-day-per-week return to school in Fall 2021.
  - It is our belief based on statements made by the Acting Secretary of Education that there will not be a vaccine or mask mandate placed on schools for the fall, but we will continue to monitor this carefully.
  - Should new mandates be placed on schools, CVSD's Administration recommends that the District adhere to the mandates for legal and financial reasons. We do not believe that new mandates will be placed on schools unless there is a significant change in the number of COVID-19 cases that are occurring in Pennsylvania and in the region.

# 2021 Fall Planning and Scheduling

## Cumberland Valley Virtual Academy

- We will also plan to continue to provide CVVA as an option for all students in grades K-12. However, we will only provide live instruction and a full continuum of educational services to students in grades K-8 as vaccine availability for students in grades 9-12 and the complexity of offering high school courses make this unnecessary from a safety perspective and impractical from a staffing and cost perspective.
- Our preliminary student counts for virtual instruction at CVHS made live instruction seem like it would be a possibility, but final counts <100 students in grades 9-12 (and vaccine eligibility changes) no longer warrant it.
  - We will communicate the new options to high school students and their families this week.

# 2021 Fall Planning

- A full face-to-face return will include pre-pandemic student densities on transportation and at all daily functions (lunch).
- We are also planning a full return to all activities including interscholastic sports, music programs, and other student clubs.
- We also anticipate normal student densities in classrooms that are similar to what students and families experienced prior to the pandemic.

The background features a faint, grey logo of the Cumberland Valley School District. It consists of a stylized mountain range with a valley in the center, all enclosed within a circular border. The logo is semi-transparent and serves as a backdrop for the text.
